**Classroom set (10+)**   \$9.95 ea

**Retail price**            \$19.95 ea

### **What people are saying**

*...a bit of Huck Finn, with an Amazon twist.*

Simon Romero

Andean Bureau Chief, The New York Times

*...enjoy reading while learning about the problems of preaching the gospel to a people with a different world view.*

Duane Stous

New Tribes Missions missionary and trainer

*...equip and encourage you in your faith ...*

Roger Krenzin

JAARS Missionary Pilot to Africa, South America, Asia

- Supports a Christian worldview
- Engages your middle school and sr. high students—**especially BOYS**
- Great read-aloud for upper elementary students
- Motivational for your mission teams
- Adults love the message and the action, too!
- Excerpts available for your newsletter
- Continuing author adventures [www.missionpadamoaviation.org](http://www.missionpadamoaviation.org)
- Full-length feature film coming soon! [www.theenemygod.com](http://www.theenemygod.com)
- Venezuela with its oil and ties to the Middle East will continue to be a part of current events

## **Aligned to student learning goals**

Examples
